Hello VV Families,

We need your help!

Soon you will receive mail-in ballots asking for your approval or denial of funding to support our schools. We are asking you to please review the below documents and vote YES for school funding.

[VVHS Cluster Bond Information](#)[Ballot and Voting Information](#)

Volcano Vista has been the recent recipient of generous funding, furniture, technology and renovations to support STEAM, field upgrades, network upgrades, security cam upgrades, etc... Voting in favor of additional funding will help secure resources for the many other needs at VV that have to be met.

Thank you for your time and consideration!

Happy New Year!
