Good morning,

My name is Patrick Brenner. My address is PO Box 1746, Bernalillo, NM 87004. My telephone number is 505-386-1139. My preferred method of communication is via email, and my email address is pbrenner@southwestpolicy.com. On behalf of the Southwest Public Policy Institute, I am submitting a request to inspect public records under the Inspection of Public Records Act.

The Office of the New Mexico Secretary of State uses e-nomination petition software. "This website offers you the opportunity to sign a petition to nominate a candidate that seeks to be placed on the ballot for a contest in which you are eligible to vote." This website is available at the following address: <https://www.electronicpetitions.elections.sos.nm.gov/>

I am seeking to inspect all logs created, maintained, and/or held by or on behalf of the New Mexico Secretary of State related to this e-nomination software. Logs include error logs, analytics, usage logs, and version iteration identification. I am seeking to inspect the logs created or edited between November 1, 2023 and January 5, 2024.

Thank you kindly,

--Patrick
