(The following message will also be shared with district families.)

Dear Mesa Public Schools community,

We are halfway through the second semester and that means it's time for spring break! Please take a few minutes to [review a successful third quarter](#) with me:

Next week, schools will be closed March 13-17 and our district offices will have limited services available. Enjoy your time together. Stay safe and we look forward to seeing staff, students and families on March 20 to begin the fourth quarter.

Sincerely,

Andi Furlis
Superintendent
